

Pledge Form for

Carroll County Georgia
HUMANE SOCIETY

C2CR2C is the name chosen by Bill Craig for a cycle ride taking place in September 2010 when he will ride from Carrollton, Texas to Carrollton, Georgia. He will begin the ride on Wed September 8th 2010 and aims to finish the ride on Sat September 18th 2010.

The main purposes of the event are:

1. To raise funds for animal welfare organizations that survive on charitable donations and dedicate their efforts to humane care of animals.
2. To raise awareness of the principles that keep those organizations so important, including the need to make USA a "No Kill Nation".
3. To educate people about adopting a responsible attitude to pet ownership thereby reducing the number of unwanted pets in shelters.

This Pledge Form is to raise funds for the Carroll County Humane Society, P.O. Box 1304, Carrollton, Georgia, GA 30112 (www.carrollcountyhumane.org) and, in particular, for its West Georgia Spay-Neuter Clinic, 525 E. Montgomery St, Suite B, Villa Rica, GA 30180 (www.westgeorgiaspayneuter.com).

The West Georgia Spay-Neuter Clinic provides a high-volume, low-cost clinic serving pet owners in the region. WGSNC's mission is to provide a non-lethal solution to the homeless, abandoned, and feral animal populations so that euthanasia is no longer an acceptable means of population control.

The animal shelters in the West Georgia area are overwhelmed with unwanted animals, and consequently have heart-breakingly high euthanization rates. The purpose of the clinic is to attack pet overpopulation of companion animals by focusing on the root of the problem. Too many animals have unwanted litters, which end up at an animal shelter where they either risk the chances of encountering diseases and dying or being euthanized, or are allowed to wander the streets having litters of their own which continue to contribute to the problem.

Money raised by this Pledge Form will go to the West Georgia Spay-Neuter Clinic and will help to provide services to those who would otherwise be unable to have their pets neutered.

Animal euthanasia is not seen by CCHS, WGSNC, and C2CR2C as an acceptable means of animal control.

Thank you for your pledge:

Bill Craig C2CR2C, Carroll County Humane Society, and West Georgia Spay-Neuter Clinic.
